**AUDIO TOUR
FRIEDBERG**

Ready to turn back the clock?

Come with us into the 18th century when Friedberg became famous due to its booming clock-making industry. Join us on an exciting trip which features historical characters and interesting stories about the town. Our audio-guided tour starts at the town hall, leads along the medieval wall and ends at the picturesque baroque church of "Herrgottsruh".

**Just listen and explore history
at your own pace.**

The history of Friedberg will be brought alive to you by students of the local grammar school, who designed the tour with the help of professionals, native speakers and the local council. Enjoy a lively, authentic journey back through time.
